

WEST HILLS COMMUNITY CHURCH JUNIOR LEADERSHIP MINISTRY

A **JUNIOR LEADER'S** main duty is to develop leadership character traits. Therefore a **JUNIOR LEADER** is placed in various positions in the Children's Ministries to gain experience while working on developing leadership qualities. The **JUNIOR LEADERSHIP MINISTRY** requires the **JUNIOR LEADER** to do the following:

1. Learn to choose to be actively obedient to God's Word by developing self-control, patience, kindness and respect for any one placed in authority over you.
2. Be active in your youth group, church attendance or Sunday school at West Hills Community Church.
3. Attend any training programs needed for the ministry that you are involved in.
4. When working with children, sit down with them and be involved in whatever project they are working on. Do not sit or stand around talking with other friends. (This is not your social time)
5. When given certain duties to perform, learn it thoroughly and accomplish it to the best of your ability.
6. Learn to apply any safety rules and/or rules set by the leader for that ministry. Watch for potential hazards that can occur at the age level you are serving in.
7. Be able to accept discipline and guidance from those placed in authority over you.
8. If you have completed your given task/s, look around and seek things to keep you busy. Ask your leader if there is any thing else that you may do.
9. Please try and arrive at least 10 minutes early to the area that you are serving in.
10. Call the Lead Teacher or the Children's Minister a day in advance if you are unable to serve.
11. You are not finished until the room is picked-up. Ask the Lead Teacher if there is anything else that you may help her with before leaving.

I have read the above requirements and will try to keep them to the best of my ability. I have also read the above requirements with my parents and they have also agreed to support me in the **JUNIOR LEADERSHIP MINISTRY** program at West Hills Community Church.
