

West Hills Community Church
Student Ministries Request for Sponsorship Assistance

WHCC has a sponsorship fund established to help students who would otherwise be prohibited from attending camps, mission trips or other activities. Gifts into the sponsorship fund are received from individuals who recognize the importance of these trips and activities in the life of the students who attend. Funds will be granted on basis of need. Likewise, funds are granted on partial basis, meaning that each student should contribute to a share of the trip cost.
